# WELCOME

We're Everfresh Confectionery and we love creating all things chocolate.

## Scoop

Hi! At Everfresh Confectionery we have a love and obsession for all things chocolate. This make us happy.

Transforming simple ingredients to create delicious chocolate products that you will love. This is our passion.

We believe in the transformative power of chocolate, the ability to elevate happiness, create experiences and inspire friendships. It's how we like to connect.

## A Little History

Everfresh Confectionery was first established in 1939 as the Everfresh Snowball Company in the heart of Collingwood, Victoria.

It's been a part of our family life since taking over in 1990. Moving to the Northern suburbs, our current location, gave us the opportunity to continue to grow the business and ability to increase our range of products. We are an Australian family owned, made and operated business. This makes us proud.
